EIB 10-05 (R)

ORDER ON MOTION FOR CONTINUANCE OF HEARING

This matter comes before the Hearing Officer on a Motion by the Public Service Company of New Mexico (PNM) for Continuance of the Hearing to a date no earlier than January 10, 2011. The hearing is currently scheduled to begin October 4, 2010.

Petitioner New Mexico Environment Department disputes PNM's characterization of the factual background and legal arguments set out in support of the Motion, but does not object to the Motion for Continuance. No other party has entered an appearance; no other responses are expected.

It is therefore ordered that the hearing in this matter is continued to begin January 10, 2011, and to proceed from day to day until finished.

The Board Administrator will work with the Air Quality Bureau staff to assure that the new date is timely published.
